

Dear Sir or Madam:

On behalf of my team, I would like to thank you for your interest in joining us as an exhibiting sponsor for the inaugural "Southern California Rare Disease Genetics Meeting", to be held at the Sue & Bill Gross Stem Cell Research Center in Irvine, **March 8, 2019**.

I am glad that we can count on you to take advantage of this opportunity. We expect an attendance of over 100 physicians and researchers from around the state to attend, in addition to some representatives from patient support groups. The exhibit area will be adjacent to the plenary room, and all breakfast and refreshment breaks will take place in the exhibit area. There should be maximum exposure to attendees.

If you have any questions, please contact our events coordinator, Nicole Choy, at (949) 824-0521 or at [socalrarediseasegenetics@gmail.com](mailto:socalrarediseasegenetics@gmail.com) for more information.

Thank you for your support as an exhibitor. It is only through the help of our friends from the health care industry such as you that we can provide high quality Continuing Medical Education (CME) and Continuing Education Units (CEU) to our physician and genetic counseling members.

We look forward to welcoming you as an exhibitor and contributor of the Southern California Rare Disease Genetics Meeting!

Sincerely,

A handwritten signature in black ink that reads "VKimonis". The signature is written in a cursive, flowing style.
